

CONSTRUCTION SPOTLIGHT

ISSUED MARCH 19, 2019

PURPOSE OF THIS EDITION

To provide an overview of construction activities and their impacts for the month of April.

WHAT'S HAPPENING IN APRIL

ROAD CLOSURES AND DETOURS

University Avenue between 39 St and Collegiate Rd will close **April 3** to facilitate the 2019 construction program. Pedestrian, cyclist and vehicular detours will be in place until the re-opening in mid-October.

Collegiate Rd between Physical Plant Rd and University Avenue will close **April 3** to complete deep utility enhancements. Pedestrian, cyclist and vehicular detours will be in place until the re-opening in August.

CAMBRIDGE MANOR AND MAPLE

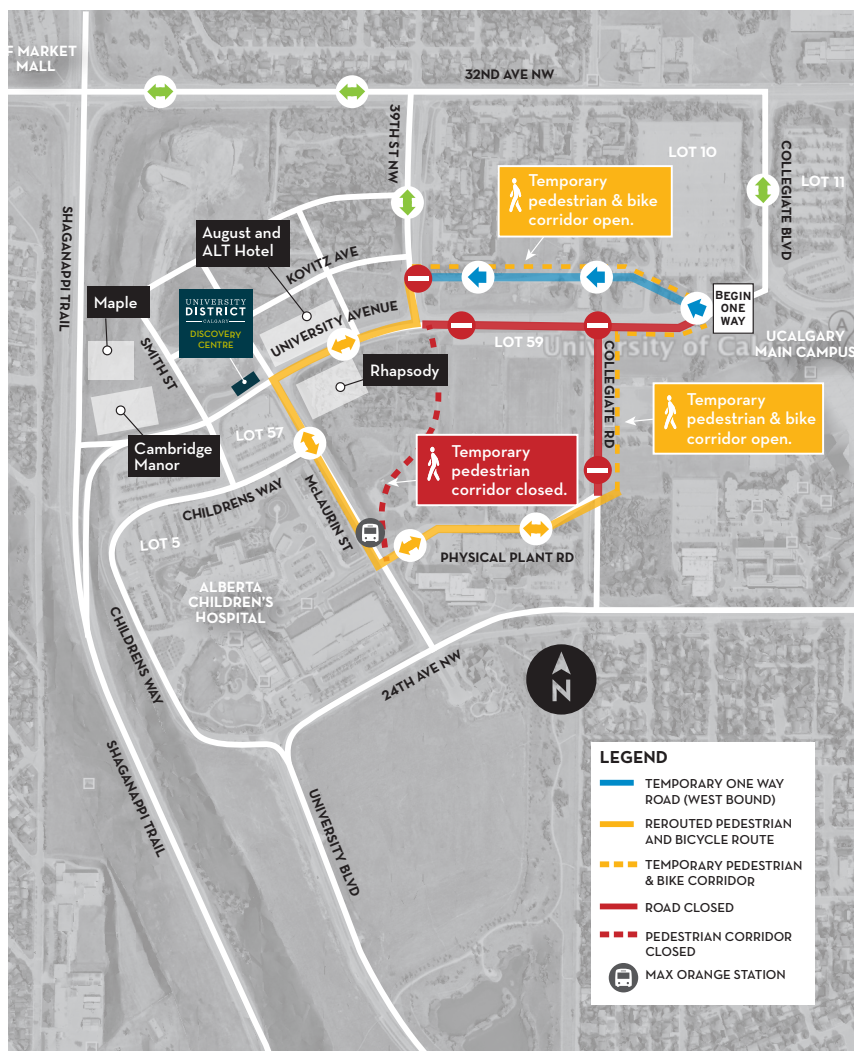

Vertical construction, exterior work and framing continues on these sites. Please be aware that construction related traffic and intermittent lane closures affecting University Avenue and Smith St will occur during this work. Please watch for signage.

RHAPSODY

Vertical construction, final concrete pouring and backfilling will be the focus on this worksite. Intermittent lane closures to facilitate these activities will occur throughout the month impacting University Avenue and McLaurin St. Signage will be in place during closures.

AUGUST AND ALT HOTEL

Parkade excavation and construction is now underway. This activity will result in increased construction traffic on University Avenue but is not expected to result in any intermittent lane closures.

HOW CAN I STAY INFORMED?

For responses to questions and concerns about safety and construction in University District 24 hours a day, please call the **Construction Hotline** at **1.855.400.5556**.

The Trust is a different kind of real estate development company. We will achieve the community vision through a strong commitment to our stakeholders and through our guiding principles of collaboration, innovation, future-focus, and leadership in community building.
