Argyle offers 151 units in a prime location steps away from the four-season amenities of central commons park, the retail main street and UCalgary. With a host of building amenities including outdoor spaces, event hosting kitchens and a fitness facility, these homes are designed for active living and convenience. Combine this with a Built Green Gold certified building and you have a truly unique and sustainable place to call home. Offering spacious studio, one, two and three bedroom condos, discover Calgary's best real estate investment.

Homes by Avi combines comfort and function to build innovative, thoughtful developments that bring an urban aesthetic to a highly livable product. Winning multiple awards, including the 2014 and 2015 Multi-Family Builder of the Year. Homes by Avi continually positions itself in the most desirable communities, while introducing new home product lines that work for today's families.
