## 2025 UNIVERSITY DISTRICT STREET SWEEPING PROGRAM

Dear University District community members,

Please be advised that University District's street sweeping program will begin on the evening of Monday, April 7, 2025 to further enhance the cleanliness of our community. Sweeping is now scheduled to occur weekly on Monday evenings until the end of September, weather dependent.

In order for the street sweeping to be most effective, we encourage community members to limit street parking during this time.

Additionally, landscaping crews will be sweeping and blowing debris from sidewalks onto roadways so that it can be picked up by the sweepers.

*Street sweeping is weather dependent, and timelines are subject to change.*
