UPCOMING LANE CLOSURE AND STREET PARKING IMPACTS ON UNIVERSITY AVENUE NW

Please be advised that a temporary partial lane closure is required on University Avenue NW in order for construction crews to safely assemble a crane that will support the installation of solar panels on Block 23. The crane installation is anticipated to happen on Tuesday, September 23 from 5 - 8 am. During this time, community members should expect a temporary single lane closure and no street parking on University Avenue NW between 39 Street NW and McCaig Street NW and increased noise. Noise exemption permits will be in place.

A map has been included below for reference.

- **Purpose:**
 - Crane assembly for solar panel installation
- **Location:**
 - Block 23 - University Avenue NW at McCaig Street NW
- **Impacts:**
 - Temporary lane closure on the south side of University Avenue NW
