UPCOMING LANE AND SIDEWALK CLOSURES FOR ATCO GAS SERVICING WORK AT BLOCK 22

In support of the ongoing development of Block 22, a purpose-built rental project by Gracorp Properties and Harrison Street, a temporary partial lane closure is required south of Save-On-Foods in order for ATCO to safely conduct gas servicing work. The work is anticipated to begin on Thursday, October 16, 2025 until Saturday, October 18, 2025. During this time, access to the parkade entrance will remain open, but community members should expect increased traffic congestion and delays. In addition to this, there will be a temporary sidewalk closure and pedestrian detours in place on Children's Way NW, west of McLaurin Street NW. Other impacts that are expected include increased noise, dust and possible vibrations.
