

October 2, 2025

REVISED: UPCOMING LANE CLOSURE AND STREET PARKING IMPACTS ON MCCAIG STREET NW

Please be advised that a temporary partial lane closure is required on McCaig Street NW in order for construction crews to safely assemble a crane that will support the installation of solar panels on Block 23. The crane installation is anticipated to happen on Thursday, October 2, 2025, beginning at 6 am. During this time, community members should expect a temporary partial lane closure and no street parking on McCaig Street NW between University Avenue NW and Perraton Avenue NW. Access to the McCaig Street parkade entrance will remain open via Warren Street NW. Noise exemption permits will be in place.

A map has been included below for reference.

- **Purpose:**
 - Crane assembly for solar panel installation
- **Location:**
