TEMPORARY ROAD CLOSURE ON SMITH STREET NW

Please be advised that ENMAX, on behalf of the City of Calgary, requires a temporary road and lane closure at Smith Street NW and University Avenue NW for the installation of a signalized intersection. The closure is anticipated to be in place from Tuesday, May 19, 2026 to Thursday, May 28, 2026, daily for 24-hours. During this time, there will be no vehicle access to northbound Smith Street NW between University Avenue NW and the Sales & Discovery Centre laneway. Pedestrian access to Smith Street NW will remain open. Detour signage will be in place as required.

The impacted area was warranted for a signalized intersection and upon completion, will be an important measure to increase pedestrian safety in University District.

- **Purpose:**
 - Installation of signalized intersection
- **Location:**
 - Smith Street NW and University Avenue NW
- **Impacts:**
 - No vehicle access to northbound Smith Street NW between University Avenue NW and the Sales & Discovery Centre laneway.
- **Anticipated Dates:**
 - May 19, 2026 to May 28, 2026, daily for 24-hours
- **Mitigations:**
 - Sidewalk access to remain open
 - Detour signage in place as required

For questions or concerns related to this activity, please contact Rob McKean, Field Execution Planner, ENMAX Power at 403.689.0565.

Construction timelines and activities are dependent on various factors and are subject to change. All timeline revisions and updates to this construction activity will be posted on our website at myuniversitydistrict.ca/news
